SPECIAL NOTE: Due to the Covid-19 pandemic, all courses were paused for one week in mid-March in order to transition from an in-class format to an online format. Alternative methods of assessment were also implemented. Students were given the options of retaining their final letter grade or replacing it with a PASS notation, or discontinuing the course(s). As such, class averages have not been calculated for this term. These events may also have caused delays in program completion.
